Bridal Suite has been serving Long Island Brides since 1973. Bridal Suite has a strong presence in the community for over 45 years. That stands for itself. Not only do we serve Long Island, but we serve all over the United States.

Brides and their Bridal Parties have come to our location for our knowledge and our long time experience in the bridal industry

Our Staff is Caring and Dedicated in helping to assist Brides in making their day the most memorable time in their lives

Our experienced in-house Alteration Department is second to none. Gowns are always stored on premise until the day arrives.

## Bridal Suite Bridal Consultants

Bridal Consultants are special associates who work one-on-one with brides to help them find gowns and accessories. They are caring, compassionate and understand that they are there to make a bride's dreams come true. They use their knowledge of bridal trends to help select the dresses that will best flatter a bride's body shape and size.

Our Bridal Consultants have excellent communication and customer service skills. and *always keep the line of communication flowing so the Bride's wishes always remain their #1 priority.*

After a Bride has chosen her dress, they also help the Bride with the selection of Bridesmaids, Mothers, and Flower Girl Gowns, as well as assisting them and her bridal party during alteration appointments.

## The Future

We have been in the customer service industry for over 30 years and understand that a happy customer is our best customer, and unlike most Bridal Stores, we want the bridal experience to have a *21st Century knowledge with an old fashion twist.*

We want our Bridal Suite Brides to feel special and we allow them to take photos at our store to post their time on social media With permission of the Bride, Bridal Party and Family we also feature them through our social media too and, they love it!!
